

Position: Youth Engagement Coordinator - Americorps VISTA Position - 32 hours/week

Description: Work with the Life Remodeled team and key community volunteers to engage the community in Life Remodeled youth-related projects and programs at the Durfee Innovation Society (DIS), as well as solicit feedback from the community and help communicate available opportunities at the DIS.

Committed to Our Core Values:

- **Community First:** We prioritize the expertise, desires and needs of students and community residents in the neighborhoods where our projects are focused. Their ideas, hopes and dreams matter most. Bottom line, no matter how awesome anyone thinks Life Remodeled's projects are, they mean absolutely nothing if they don't align with the values and ambitions of children, youth and adults who make up the local community.
- **Always Find a Way:** Our annual goals are always nearly out of reach. Unforeseen circumstances happen. Things change, and we are not only flexible, but we find better solutions than ever before. Every day we are innovating and creating a future that doesn't yet exist. There is always a way, and our team is made of those who not only believe this, but they make it happen.
- **Bold Humility:** If you're only bold, you're a jerk. If you're only humble, you're a doormat. Wielding the balance of these two powerful attributes is what drives Team Life Remodeled to take the form of servant leaders, who value the needs of others over our own with confidence and determination. We embrace our weaknesses and limitations, and we know we all have blind spots. Therefore, we are life-long learners who see every encounter and every challenge as opportunities to learn and grow as human beings.

Activities/Responsibilities:

- Assist with overseeing the Life Remodeled and DIS tenant youth academic initiatives at the DIS, including the after-school tutoring program and Safe Center for Online Learning (SCOL)
- Assist in implementation of strategies for marketing DIS youth-related events, projects and programs to the community
- Assist with recruiting volunteers and community members to connect with DIS youth-based programming
- Engage with youth and volunteers involved with youth programs at the DIS
- Manage the flow of traffic in 'The Locker Room' arcade space at the DIS
- Manage setup and break down of youth-related events and activities at DIS
- Manage social media accounts as it relates to youth programming and 'The Locker Room'
- Assist with creating and implementing a plan to bring additional programming to the DIS for youth and community members in one or more of the following areas:
 - Fitness/Nutrition
 - Sports
 - Academics
 - Mentoring
 - Arts/Culture
- Balance working independently, as well as collaborating with the Director of Youth & Volunteer Engagement and current Americorps VISTA working at Life Remodeled to share information and network in the community together
